**AUDITORS REPORT TO THE GOVERNING MEMBER OF PROJECT
TERRA FIRMA**

Details:

Sl. No.	Particulars	Remarks
1.	Audit Team	Shyam S
2.	Audit Date	09.03.2017
3.	Schools Visited	- Lokkanahalli HPS - Bandalli HPS - Basappana Doddi HPS

We have visited the above schools and conducted the audit as per the engagement. Detailed observations have been annexed to this report.

Key Feedbacks:

1. Remedial programme are being conducted effectively, we suggest old drawing/science record books used in the previous year's be given to students to record and practice. This will also help us in conducting the audit. Currently students are using loose papers and most of the records are not available for verification.
2. We recommend that a register be maintained giving a brief calculation of the receipts and payments along with the supporting bills attached to the same for every month and also for the annual day expenses.
3. We suggest that an approved document enlisting the experiments under each module be given to the Science program faculty. This will enable us to track the status of the science program much efficiently.
4. We suggest some portion of the budget be allocated for replacement of board games every year. All the schools have only few sets of chess/ other games which are old.
5. We suggest that the material requirements such as record books/ drawing books and painting materials should be requested at least 15 days in advance. Since the materials are issued late, audit of the activities may be affected.
